

Hudson River  
Valley Greenway

# Conservancy Trail Grants Summer 2026

## Hudson River Valley Greenway

The Hudson River Valley Greenway is dedicated to helping create and rehabilitate locally-owned land and water trail routes within the Greenway Area, which stretches from Manhattan to Whitehall.

## Hudson River Greenway Trail System

The Hudson River Greenway Trail System aims to provide access to the Hudson River and is the culmination of decades of work by dozens of organizations, municipalities, and volunteers throughout the region. It includes 1,000 miles of land trails and over 100 launch points along the Hudson River.

## Eligibility

Municipalities and nonprofits are encouraged to apply for competitive funding to plan, construct, and rehabilitate their land and water trails. Matching funds required.

### Available Funding

- Up to \$250,000 for construction
- Up to \$250,000 for disaster recovery
- Up to \$100,000 for rehabilitation
- Up to \$100,000 for improvements
- Up to \$75,000 for planning

\*Values represent project category maximum.
