Hudson River Valley Greenway/National Heritage Area In-Kind Services Tracking Sheet

Instructions for Use

In-Kind Services may be used as match and are tracked differently depending upon the type of service.

If the volunteer is working in their professional field (surveyor, engineer, forester, etc.) the In-Kind Rate of their service is calculated using their professional rate (what they charge their customers). For all other volunteers, and for professionals not working in

their field, please use the most current IndependentSector.org NYS Volunteer Rate. The rate is:

Year	Rate
2021	\$33.17/Hour
